## Terms and Conditions

### 1. Introduction

We have many things in the future for those who are involved in the Zoo movement! Thank you so much for visiting our terms and conditions and if you have any questions feel free to reach out to us in our Telegram group or on Discord.

### 2. Definitions

"CryptoZoo" refers to both the original drop of 10,000 eggs ("egg drop"), future egg drops, the base NFT animals that result from users hatching the original eggs, the hybrid NFT animals that result from users breeding 2 base NFT animals, and the ecosystem in which all of the NFTs may be bought, sold, exchanged, or utilized.

EXHIBIT 1

"First egg drop" when specifically mentioned, refers only to the initial distribution of 10,000 eggs scheduled to begin on September 1, 2021.

"CryptoZoo NFT" is defined as any individual art, design, photograph, 2D drawings or 3D models that may be associated with a CryptoZoo NFT that you own.

"Own" is defined as possession of a CryptoZoo NFT in your BSC wallet, Ethereum wallet, or other wallet ("crypto wallet"), where proof of such possession is recorded on the blockchain.

"Image" is defined as individual PNG/GIF/JPEG and underlying files containing all proprietary CryptoZoo traits.

"Features" are defined as the distinguishing characteristics and proprietary individually layered art files associated with each CryptoZoo NFT. For example "head" and "body" are features.

### 3. What We Own

The name and Intellectual Property involved in the CryptoZoo Project ("CryptoZoo") is owned by our team. All rights that are not specifically granted to the users and owners of CryptoZoo below are reserved by the team or potential future decentralized autonomous organization. This includes but is not limited to the intellectual property rights surrounding the "CryptoZoo" names, logos, 3d layer files, trademarks, the website, the look and feel of the user interface, the smart contract code, or anything else not specifically granted by any following licenses.

### 4. You Own Your CryptoZoo

By holding a CryptoZoo NFT in your crypto wallet, you gain full and complete ownership of your NFT as well as the opportunity to utilize this NFT in minting or receiving subsequent opportunities available only to CryptoZoo holders.

All NFTs ownership is verified cryptographically on the Ethereum Blockchain. This is proof of ownership and grants rights within this document. Once the NFT leaves ownership, all Personal and Commercial use terms are revoked.

### 5. Personal Use:

Subject to compliance with these terms, CryptoZoo grants you a royalty-free license to use, copy, display, and modify the CryptoZoo NFTs that you own for CryptoZoo NFT Art. This usage is granted world-wide.
